

GEARCAGE® | **GEARCAGE®-6**

Part No. H01397

Dimensions

Inside: 72in. L x 32in. W x 7in. H

Clearances

Installed: Up to 12in from Hitch Pin
Slide-out: Up to 32in from Hitch Pin

Weights

Empty: 95 lbs
Payload: 300 lbs of Cargo

Required Hitch Size

2in, Class III or higher

This 6ft. super-size hitch rack is the industry largest with extra width for exceptional gear carrying capability to include large wheel chairs, scooters, bicycles and more. The slide-out feature clears SUV hatches, tailgates, and Sprinter RV doors for convenient rear access with a dual tube frame design for demanding fifth wheel and travel trailer tow environments.

Construction

18 ga. powder-coated steel and strong BoxTruss design built upon our GMC Professional Grade award-winning TwinTube™ Flat Pipe slide-out hitch mount platform.

Included

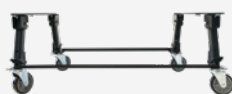

- Two Silent Hitch Pins
- LED Lights & Reflectors
- Tie Down Locations
- License Plate Mount
