Ground: 6in Rise from Hitch

## Weights

Empty: 140 lbs  
Gross Weight Rating: 500 lbs

## Required Hitch Size

2in, Class II or higher

This super-size 34. c.f. enclosed cargo carrier is a favorite for RV, family, and group travel with capacity for tons of gear including bicycles. The slide-out feature clears SUV hatches, tailgates, and Sprinter RV doors for convenient rear access with a dual frame design for demanding fifth wheel and travel trailer tow environments.

### Construction:

Tough and durable rotational molded polypropylene and black powder coated steel. Built upon our GMC Professional Grade award-winning TwinTube™ High Pipe slide-out hitch mount platform.
