

ASSEMBLY AND OPERATION

PARTS LIST

Qty	Description
1	HOODie Cover
1	DragNet Cargo Netting With Clips

Unfold your BossHog HOODie and drape over top of your BossHog Carrier and any stored cargo. Fit the thick Waist-Band of the HOODie snugly over the corners of the carrier. Tighten and connect the adjustable Release Buckle located underneath the velcro Storm Flaps until taut.

Pull the long support Straps around the underside of the carrier and back to meet at the top. Connect the Release Buckle and pull tight to secure your HOODie and cargo to the carrier.

Unfold the included DragNet and drape over top the secured HOODie. Fasten all Molded Clips by securing and evenly spacing them to anchor points located on the underside of the carrier.

Warranty Statement:

HOODie Cover and DragNet are warrantied to be free of manufacturer defect.

⚠ WARNING

Always check that HOODie, DragNet & stored cargo are fully secured to the carrier before transit to avoid loss or damage to your product & cargo. Multiple tie-down and strap positions are located along the BossHog Cargo Carrier for supplemental ratchet and tie-down restraints when necessary.

⚠ WARNING

HOODie & DragNet devices are a weather-resistant (not water-proof) cargo protectant system, and not a cargo restraint.

⚠ WARNING

Be sure to remove your DragNet and completely loosen and disconnect all HOODie Release Buckles first before removing the HOODie off your cargo carrier to avoid damage to your product.
